Innovations^{27th ANNUAL} in Urologic Practice

September 22-24, 2023
Santa Fe, New Mexico

Dear Industry Colleagues,

On behalf of Co-Chairs, Dr. Mohit Khera and Dr. Michael Coburn, we invite you to join us at the **27th Annual Innovations in Urologic Practice** Meeting that will be held **September 22-24, 2023 at the Inn and Spa at Loretto in Santa Fe, New Mexico.**

This conference focuses on current and innovative diagnostic strategies for some of the most common urologic problems such as prostate cancer, bladder cancer, and men's health faced by clinical urologists, oncologists and other healthcare providers who treat patients with urologic diseases.

Partnering with us through exhibit or sponsorship at the **27th Annual Innovations in Urologic Practice** meeting will allow you to network with 75-100 urologists and expert faculty in a relaxed setting that allows for ample time for discussion. Industry partners and exhibits are an essential part of our meeting's success and our attendees will be eager to learn about your companies products and services that can assist them in improving the care of their patients.

Thank you for your consideration of our request; we look forward to receiving your commitment. If you have any questions, please contact Denise Castetter, dcastetter@cjpc.com or 973-769-1020.

Kind regards,
Denise
