UCSD Urology Symposium for Primary Care Physicians & Advanced Practice Providers

March 21, 2026

Sanford Consortium for
Regenerative Medicine, La Jolla, CA

Dear Industry Colleagues,

On behalf of Program Chairs Manoj J. Monga, MD, FACS, and Rachel Shapiro, MS, PA-C, we invite you to join us at the **UCSD Urology Symposium for Primary Care Physicians & Advanced Practice Providers**. The meeting will be held on March 21, 2026, at the Sanford Consortium for Regenerative Medicine in La Jolla, CA.

This conference is designed for primary care physicians, advanced practice providers, and early-career urology clinicians who play a pivotal role in the urologic care continuum. It will feature a broad spectrum of urologic topics, including, but not limited to, benign prostatic hyperplasia and surgical management, overactive bladder, kidney stones, sexual health, and urologic oncology. The program will combine didactic lectures with interactive sessions that highlight the patient journey, emphasizing how patients and their families can be guided toward the most appropriate therapies.

Because primary care teams are often the first to identify conditions such as prostate cancer, overactive bladder, recurrent urinary tract infections, kidney stones, and other common urologic concerns, strengthening their knowledge directly influences earlier detection, better management, and equips them to recognize when escalation to subspecialty urology care is warranted — ultimately supporting increased, appropriate referrals. By partnering with this conference through exhibit or sponsorship, industry sponsors can contribute to improved patient outcomes, build visibility with frontline providers, and align with educational initiatives that shape evidence-based care across both primary and specialty settings.

Thank you for considering our request for support; we look forward to receiving your commitment. If you have any questions, please contact Denise Castetter at dcastetter@cjp.com or 973-769-1020.

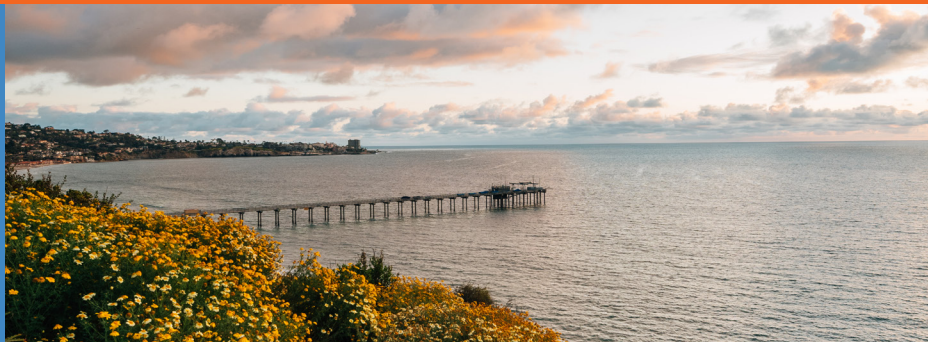

Kind regards,

Handwritten signature of Denise Castetter
